**CHILDREN'S HOMES OF SOUTHERN CALIFORNIA PROGRAM CONTRACT  
COMPLIANCE MONITORING REVIEW**

In accordance with your Board's April 14, 2009 motion, we are informing your Board of the results of a group home compliance review.

Children's Homes of Southern California (CHSC) has five sites. All sites are located in the 5<sup>th</sup> Supervisorial District and provide services to Los Angeles County Department of Children and Family Services' (DCFS) foster youth. According to CHSC's program statement, its goals are "to provide and maintain a safe environment, free of abuse; achieve a safe and stable placement; and improve each child's level of functioning." All five sites are licensed to serve a capacity of six children, ages 11 through 17.

The Out-of-Home Care Management Division (OHCMD) conducted a review of CHSC in February 2010, at which time the agency had five six-bed sites and 30 placed children. All 30 children are male. For the purpose of this review, 15 currently placed children were interviewed and their case files were reviewed. The children's overall average length of placement was three months and their average age was 17. Seven staff files were reviewed for compliance with Title 22 regulations and contract requirements.

Eight children were prescribed psychotropic medication. We reviewed their case files to assess timeliness of psychotropic medication authorizations and to confirm that medication logs documented that dosages were being administered as prescribed.

**SCOPE OF REVIEW**

The purpose of this review was to assess CHSC's compliance with the contract and State regulations. The visit included a review of CHSC's program statement, administrative internal policies and procedures, all sampled children's case files, and a random sampling of

personnel files. A visit was made to all five sites to assess the quality of care and supervision provided to children, and interviews with children were conducted to assess the care and services they were receiving.

A copy of this report has been sent to the Auditor-Controller (A-C) and Community Care Licensing.

### **SUMMARY**

Generally, CHSC was providing good quality care to DCFS children, and most services were provided as outlined in the agency's program statement. The children interviewed stated that they wanted to continue residing at the placement and that the staff treated them well.

The direct care staff stated that they felt supported by the administrative staff and that the administrative staff was attentive to the needs of the children.

At the time of the review, the Group Home needed to ensure that all Needs and Services Plans (NSP) were timely and comprehensive; the Children's Social Worker's (CSW) signature was obtained authorizing implementation of the NSP; each child's signature indicating their participation in the development of the NSP was obtained or documentation of attempts to obtain the CSW's or the child's signature was noted. The Group Home also needed to have all youth begin participating in Youth Development/Vocational Planning or training at age 16.

CHSC's management was receptive to implementing some systemic changes to improve the agency's compliance with regulations and the Foster Care Agreement.

### **NOTABLE FINDINGS**

The following are the significant findings based on our review:

- Of the 25 updated NSPs reviewed for the 15 children's case files, four updated NSPs were not comprehensive in that they did not contain all the required elements in the NSP template.
- Six updated initial and updated NSPs had not been developed and maintained.
- The CSW's signature authorizing implementation of the NSP and the child's signature indicating their participation in the development of the NSP or documentation of the attempts made to obtain these signatures were not maintained.
- All age-eligible youth were not participating in Youth Development/Vocational Planning or training.

The detailed report of our findings is attached.

**EXIT CONFERENCE**

The following are highlights from the exit conference held on August 18, 2010.

**In attendance:**

Jorge Marquez, Executive Director, CHSC, and Linda Reusser, Monitor, DCFS OHCMD.

**Highlights:**

The Executive Director was in agreement with our findings and recommendations. He stated that, based on the Monitor's explanation of the findings, he saw the importance of the Group Home staff providing more information to the Social Worker/Program Manager so that NSPs would be comprehensive. He indicated that he understood that all NSPs should be timely and the need for all youth age 16 and older to participate in Youth Development/Vocational Planning or training.

As agreed, CHSC provided a timely written Corrective Action Plan (CAP) addressing each recommendation noted in this compliance report. The approved CAP is attached.

As noted in the monitoring protocol, a follow-up visit will be conducted to address the provider's approved CAP and assess for full implementation of recommendations.

If you have any questions, your staff may contact Aldo Marin, Board Relations Manager, at (213) 351-5530.

The following report is based on a "point in time" monitoring visit and addresses the findings noted during the February 2010 monitoring review.

**CONTRACTUAL COMPLIANCE**

Based on our review of 15 children's files and seven staff files, Children's Homes of Southern California (CHSC) was in full compliance with seven of nine sections of our Contract Compliance review: Licensure/Contract Requirements; Facility and Environment; Recreation and Activities; Children's Health-Related Services, including Psychotropic Medication; Personal Rights; Children's Clothing and Allowance; and Personnel Records. The following report details the results of our review.

**PROGRAM SERVICES**

- Based on interviews with 15 children and review of their case files, CHSC fully complied with seven of the eight elements reviewed in the area of Program Services. The children's population was consistent with the criteria in the program statement; the NSPs were discussed with Group Home staff; the children were receiving required therapeutic services; recommended assessments/evaluations were implemented monthly; and DCFS Children's Social Worker contacts were documented. However, of the 44 updated NSPs reviewed for the 15 children's case files, four updated NSPs

were not comprehensive in that they did not contain all the required elements in the NSP template. Six initial and updated NSPs were not developed and maintained.

**Recommendation:**

CHSC management shall ensure that:

1. NSPs are timely and comprehensive, including all required elements.
2. Current NSPs are developed for each child.

**EDUCATIONAL AND EMANCIPATION SERVICES**

- Based on interviews with 15 children and review of their case files, CHSC fully complied with two of the four elements reviewed in the area of Educational and Emancipation Services. Although Individualized Education Plans were maintained, some children were not receiving Youth Development/Vocational Planning or training, and some children had not made improvement in their academic subjects and/or in their school attendance.

**PRIOR YEAR FOLLOW-UP FROM THE AUDITOR-CONTROLLER'S (A-C) REPORT**

**Objective**

Determine the status of the recommendations reported in the 2009 A-C's report.

**Verification**

We verified whether the outstanding recommendations from the A-C's 2009 review issued August 18, 2009 were implemented.

**Results**

The A-C's prior report contained three recommendations. Specifically, CHSC was to assess children for needed services within 30 days of placement and develop and maintain current NSPs for each child. Additionally, the Valerio Group Home needed to repair a recliner and paint the walls in bedrooms 1 and 2. They did not fully implement the recommendation related to the NSP's.

**Recommendations:**

Children's Homes of Southern California management shall ensure that:

3. It fully implements the outstanding recommendation from the A-C's August 18, 2009 noted in this report as recommendations 1 and 2.

Dear Ms. Butler,

Please consider this Corrective Action Plan for the 2010 Monitoring Review conducted by Linda Reusser that began February, 2010.

## FINDING:

Lack of Comprehensiveness, Needs and Services Plans

## CORRECTIVE ACTION:

Group Home Performance Review Results indicate that for *two youth, the initial NSP/Quarterly, and four updated NSP's* for the period of review were not provided to the Monitor; this involves the *comprehensiveness* of the NSP/Quarterlies. In order to prevent this from recurring in the future, Children's Homes of Southern California (CHSC) will enact the following corrections:

- CHSC, Social Worker/ Program Manager, Michelle Villacorta, will review weekly the Master Due Date Calendar to ensure completion of all placed Resident's Initial and Updated NSP/Quarterlies.
- CHSC, Social Worker/Program Manager, Michelle Villacorta, will review every NSP/Quarterly prior to placing/filing it (NSP/Quarterly) in the Resident's file.
  - Review of each completed NSP/Quarterly will be completed page by page for completion of responses to all queries on the NSP/Quarterlies as indicated.
  - Any blank queries on the completed NSP/Quarterly will be answered accordingly, ensuring a full and complete response to every query.
- CHSC, Administrator/Program Manager, Theresa Turner will conduct monthly reviews on completion of Resident's NSP/Quarterlies in accordance with Due Dates during Agency Weekly Program Meetings to ensure comprehensive completion of all NSP/Quarterlies.

**FINDING:**  
Untimely Needs and Services Plans

**CORRECTIVE ACTION:**

Group Home Performance Review Results indicate that two *initial and eight updated NSP/Quarterlies* for the period of review were not provided to the Monitor; this involves *timeliness* of the NSP/Quarterlies. In order to prevent this from recurring in the future, Children's Homes of Southern California (CHSC) will enact the following corrections:

- o Record-keeping concerning Due Dates for NSP/Quarterlies will be improved so that all NSP/Quarterlies are completed on time.
- o CHSC, Social Worker/Program Manager, Michelle Villacorta, will conduct weekly reviews of the Master NSP/Quarterly Due Date Calendar which indicates currently placed youth's NSP/Quarterly status.
- o A print out (Hard Copy) from the Master NSP/Quarterly Due Date Calendar will be maintained until NSP/Quarterly is completed by established NSP/Quarterly Due Dates.
- o Each Initial NSP/Quarterly Due will be completed within 30 days of the youth's placement.
- o Each Updated NSP/Quarterly will be completed one week prior to the 90 Day Due Date Requirement, every 90 days, thereafter.
- o CHSC, Administrative Assistant, Wilma Figueroa, will review each placed youth's file weekly for completed NSP/Quarterlies in accordance with NSP/Quarterlies Due Date Form.
- o CHSC, Administrative Assistant, Wilma Figueroa, will notify CHSC, Social Worker/Program Manager, Michelle Villacorta via email should any missing NSP/Quarterlies not be in youth's file for immediate completion.
- o CHSC, Social Worker/Program Manager, Michelle Villacorta will complete NSP/Quarterly accordingly and ensure maintenance of timely NSP/Quarterlies of placed youth.

**FINDING:**  
Needs and Services Plans, Missing Signatures

**CORRECTIVE ACTION:**

Group Home Performance Review Results indicate that three NSP/Quarterlies did not have all signatures; one of those signatures was incorrectly dated. In order to prevent this from recurring in the future, Children's Homes of Southern California (CHSC) will enact the following corrections:

- o Upon completion of the NSP/Quarterly meeting with CHSC Staff and the youth named on the NSP/Quarterly, signatures with be immediately obtained.
- o In the event, the youth's case-carrying CSW is not present for the NSP/Quarterly meeting, within 10 days after the NSP/Quarterly meeting, a

minimum of three (3) attempts will be made to obtain the CSW's signature for appropriate implementation of the NSP/Quarterly.

- Evidence of these attempts will be maintained and stapled to the back of the completed NSP/Quarterly for which the signatures are requested for in order to show DCFS Auditors/Monitors that the attempts were made in a timely manner in accordance with SOW requirements.
- Social Worker/Program Manager, Michelle Villacorta, will be responsible for ensuring the aforementioned is completed to ensure all appropriate signatures are obtained for implantation of the youth's NSP/Quarterlies.

**FINDING:**

Youth Development Services (YDS) Needed.

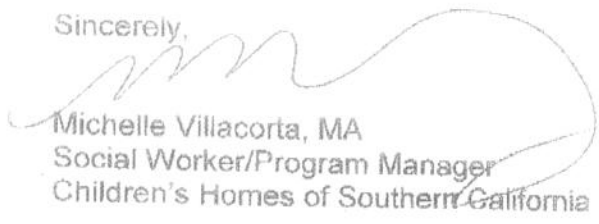

**CORRECTIVE ACTION:**

Group Home Performance Review indicates that three youth did not appear to have YDS services for the period of review. In order to prevent this from occurring in the future, Children's Homes of Southern California (CHSC) will enact the following corrections:

- Upon placement, CHSC, Intake Coordinator, Crystal Patin, will contact Youth's Case-Carrying CSW to ascertain whether or not YDS Services was provided to the youth.
- CHSC, Intake Coordinator, Crystal Patin, will obtain documentation (i.e., DCFS 5557 or Copy of YDS/ILP Certificate) of YDS services for Youth who have received YDS from Youth's Case-Carrying CSW.
- Social Worker/Program Manager, Michelle Villacorta, will contact Youth's Case-Carrying CSW to submit YDS referral for Youth who have never received YDS Services.
- YDS Referral Request of Youth's Case-Carrying CSW will occur at the time the Initial NSP is completed; within 30 days of the youth's admission date.
- Follow-up regarding YDS Services Request will occur within the following 7 business days.
- If YDS cannot be ascertained for the placed youth, another referral will be requested for YDS Services from the CSW.
- Follow up for this will occur weekly every Friday until YDS Services are provided to place youth accordingly.
- Documentation of YDS Services requested will be maintained in Youth's File accordingly.
- CHSC, Program Managers, Theresa Turner/Michelle Villacorta, will be responsible for ensuring completion of the aforementioned information.

Thank you for allowing us the opportunity to correct these findings and submit this corrective action.

Sincerely,

Michelle Villacorta, MA  
Social Worker/Program Manager
